

CONFIDENTIAL*Drain. 3 file***Office Memorandum • UNITED STATES GOVERNMENT****TO : Chief, Regulations Control Staff****DATE: 5 November 1956****FROM : Chief, Plans Branch, PPS/TR****SUBJECT: R**

1. This is to inform you that the CIA Career Council at its September meeting indicated that it believed there was no need for R as presented to them in the draft then being coordinated (of which you have a copy). The Council's instructions beyond that were not specific but indicated a desire to eliminate this regulation.

2. Subsequently, OTR requested that you rescind N Instructions relative to nominations to the senior Defense schools and other matters covered by this Notice will appear in the November issue of the OTR Bulletin.

3. R also contains policy and procedures relative to the exercise of the statutory authority of the DCI to enroll Agency personnel in other external courses of training. We have not decided upon the form or medium for disseminating that information to those in the Agency who require the information.
